MCQ PAPER

Instructions to RANZCP Mock Examination Candidates for MCQ Paper

- 1. At the appointed time, candidates are asked to turn over the question paper and the exam commences. In this paper, all questions are intended to be attempted.**
 - 2. The 10 minutes reading time of past years is now incorporated into the total exam time so candidates may start answering questions immediately, after the exam commences.**
 - 3. The paper is 190 minutes duration and the total marks allocated are 180.**
 - 4. All questions are answered in a separate answer booklet. You must use the pencil provided. An eraser is provided if you wish to change your answer.**
 - 5. You are strongly advised to use a ruler as you go down the pages of the answer booklet to ensure that you are entering each answer on the correct line for the question number.**
 - 6. A Stimulus handout is provided for reference when answering the CAP questions.**
 - 7. At the end of the examination time, candidates must stop writing immediately.**
 - 8. Local Mock Exam organisers will determine whether candidates will take their papers away to mark themselves. Check with the organisers.**
 - 9. To avoid mix-ups, candidates must ensure that they have written their name on the front cover of the 'scantron' answer booklet.**
