

## RANZCP Scholarly Project: Local Approval Process (Auckland and Northland)

**RANZCP Scholarly Project: Reviewer Checklist & Recommendation**

|   | Yes | No | Not applicable |
|---|-----|----|----------------|
| I have read the RANZCP Scholarly Project (basic rules) and RANZCP Education Training Procedure (Scholarly Project) Policy 13.1. |     |    |                |
| The proposal includes: the aim, project question/hypothesis/research methodology  |     |    |                |
| The authorship meets the RANZCP Scholarly Project requirements; and collaboration (if any) is stated in the proposal            |     |    |                |
| Local ethics committee approval   |     |    |                |
| Locality assessment (e.g. DHB) approval   |     |    |                |
| The proposal meets the requirements for the RANZCP Scholarly Project  |     |    |                |
| <b>The proposal is recommended as a suitable Scholarly Project</b>  |     |    |                |
| Further comments:   |     |    |                |
